Article 1: Organization

SPL Arras Pays d'Artois Tourisme, hereinafter referred to as the 'Organizer', whose registered office is located at 29 rue des Rosati, 62000 ARRAS, is organizing a free competition with no purchase obligation, entitled 'WORLD FRENCH FRY CHAMPIONSHIP', hereinafter referred to as the 'Championship'.

'WORLD FRENCH FRY CHAMPIONSHIP' is protected, in particular through the registration of a trademark owned by the Organizer. A candidate's acceptance of these rules confers no right to use the trademark outside any specific/written agreements that may be entered into where applicable.

Article 2: The Championship

An event in the form of a culinary competition on the Grand'Place in Arras during which pre-selected candidates from all over the world may compete in different categories: family french fries, authentic french fries, creative french fries, fries of the world, rising star french fries, handcrafted crisps and fry sauces (hot and cold).

A jury composed of professionals and French fries lovers will award scores to the candidates using a scoring grid. The winning candidate in each category will be the one who obtains the highest score.

The winners of each category will be awarded the title of World French Fries Champion, a trophy, as well as a stay in Artois (hotel night + meal + activities for two people).

Article 3 : The candidates

Under no circumstances may the following persons take part in the Championship:

- Members and staff of SPL Arras Pays d'Artois Tourisme
- Employees of companies that have participated directly or indirectly in the design and/or implementation of the Championship.
- As well as members of their respective families (for the purposes of these rules, 'family' means persons living under the same roof)
- Family members of jury members (for the purposes of these rules, 'family' means persons living under the same roof)

The Championship is limited to one entry per household, same name, same address.

The Championship is open to 3 categories of participants:

- **Professionals** : foodservice professionals, whether employed or seeking employment; for the 'authentic french fries', 'creative french fries', 'fries of the world', 'handcrafted crisps' and 'fry sauces' categories. Written approval from the business owner/manager is required (the corresponding document in the 'appendices' section must be signed to validate registration).
- **Amateurs** : private individuals with no professional culinary activity; for the 'family fries', 'creative fries' and 'artisanal chips' categories.
- **Students in hospitality training** (hospitality high schools, apprenticeship training centers, etc.) : currently in training and, if the student is a minor, necessarily accompanied by their teacher ; for the 'promising fries' category (the student may be accompanied by another student if both are of legal age). Written approval from the legal representative and the head of the school is required (the corresponding documents in the 'appendices' section must be signed to validate registration).

Except in the 'Rising Star French Fries' category, a candidate may apply alone or with another person. A maximum of 2 people per application is allowed. If the candidate wishes to be accompanied, one person will be designated as the 'main candidate' and the other as the 'accompanying person'.

Minors are not authorized to participate in the Championship, neither as candidates nor as accompanying persons, except in the 'Rising Star French Fries' category. A minor candidate participating in the 'Rising Star French Fries' category must provide written authorization from their legal representative and the head of the school.

Some candidates may be selected by a Championship partner, according to the same criteria as for the other candidates.

A participant may under no circumstances take part on behalf of other persons. They may, however, represent their restaurant or chip shop. The participant undertakes to provide the organizer with complete and accurate information. The participant is informed and accepts that the information provided in this way shall constitute proof of their identity. At all times, the participant is responsible for the accuracy and completeness of the information they have communicated.

The organizer reserves the right to carry out any checks it deems necessary for compliance with this article and with these rules as a whole, in particular to exclude, at its sole discretion and without appeal, any unsuitable participant, especially if they have made a false statement, committed any form of abuse, or attempted fraud. Except in the event of manifest error, the data contained in the information systems of SPL Arras Pays d'Artois Tourisme shall be conclusive evidence regarding the

information attesting to the validity of participants' registrations. Any inaccurate or incomplete registration will not be taken into account and will result in the participation being declared null and void, without appeal. Any participation contrary to the provisions of this article shall be considered null and void. More generally, failure by the participant to comply with these rules results in the outright nullity of their participation and, where applicable, of the award of any prizes.

The candidate may be contacted prior to the Championship by the press or the organizer's partners or sponsors, if they have given prior consent (the organizer will contact the candidate). If they accept the transmission of their contact details, they undertake to make themselves available as far as possible.

Article 4: The events

Family French Fries, Authentic French Fries, Creative French Fries, Fries of the World, Rising Star French Fries, Handcrafted crisps and French Fry Sauce (hot and cold). Between 4 and 12 candidates per category will be selected to take part in the competition.

Each candidate may compete in one category only.

For each of these categories, competitors will be selected on the basis of their application file, taking into account not only the quality and originality of the cultural and human story they present (answers to the questions in the registration form), but also the technical/culinary information submitted to the organizer, in particular the quality and originality of the recipe as well as the precision of its description. The quality of the photos provided will also be taken into account. Selected candidates will be contacted and invited to take part in the competition on **September 26, 2026**. Candidates selected for the competition will be contacted by e-mail **between July 10 and July 20, 2026**. Except in cases of force majeure, selected candidates undertake to actually participate in their event on the day of the competition.

Candidates must carry out their event in a dedicated area on the Grand'Place in Arras. They accept any climatic constraints (heat, rain, wind, cold) as long as they do not make the event impossible to hold properly, and they also accept tie-breaking arrangements with other candidates in the event of weather changes during the day.

Candidates will be filmed and their events may possibly be broadcast live.

As the competition area may be accessible by stairs, candidates must specify in their application file (in the corresponding question) whether they are physically unable to climb these steps and whether assistance is required.

The jury is made up of persons competent to judge the candidates' performances according to their category. Assessment will be based in particular on the appearance, smell, taste, texture and presentation of the fries. The oral presentation contributes to the assessment, which inevitably includes a degree of subjectivity inherent in tasting, which the candidates accept without appeal.

Whatever the category, 'french fries' means: necessarily a cut or preparation of potato, cooked by deep-frying in animal or vegetable fat.

The aim will always be to promote generous and authentic cuisine that celebrates food as a source of warm shared moments, rooted in local areas and centered around an emblematic product: the potato.

Any potato variety is allowed.

The jury will also be attentive to the eco-responsible aspect of the proposal.

The winner of each event will be rewarded with a trophy and offered a stay in Artois (overnight stay + meal + activities for 2 people) with an approximate value of €400, whatever the category.

The trophy will be handed to the winner of each category in person after the announcement of the results of each of the Championship events, on September 26, 2026. The prizes may not give rise to any dispute of any kind, nor to payment of their cash equivalent in any form whatsoever, nor to their return, exchange or replacement for any reason whatsoever, in particular in the event of loss or theft.

Where applicable, the various costs and expenses inherent in the enjoyment of the prizes but not expressly included in the prizes shall remain payable by the winners. In general, the Organizer declines all responsibility for any incidents and/or accidents that may occur to a winner during the use of the prize.

The Organizer disclaims all responsibility for any dissatisfaction of a winner regarding their prize. The Organizer may not be held liable if one or more of the prizes offered are temporarily or permanently unavailable. Winners would then be offered prizes of equivalent value. The organizer assumes no responsibility in the event of delay, theft and/or loss of prizes sent by post or as to their condition upon delivery.

The title of World French Fries Champion belongs to a natural person (the candidate) and not to a legal entity (restaurant, company).
